

# Energy Transition

## Innovation Towards a Low-Carbon Future

Register for a 5-week free MOOC  
Starting on March 8<sup>th</sup>, 2021

Energy transition  
challenges

Renewable energies  
and electricity production

Geothermal energy  
and natural gas

Carbon capture  
and storage and energy storage

Energy efficiency in  
processes and bioproducts

DON'T MISS  
THE 3<sup>rd</sup> EDITION  
ENRICHED WITH  
CONTENTS ON H<sub>2</sub>!
